FEED TECH EXPO (FTE) 2025

Event Theme: Sustainability

Join us for an exciting 9th edition of the FTE25, dedicated to the future of the feed industry. This year's theme, *sustainability*, explores key areas including sustainable feed raw materials, precision nutrition, and enhancing efficiency in feed production. The 3-day event, featuring entire value chain of feed industry along with expert-led conferences and interactive workshops, offers valuable insights and opportunities for collaboration.
